

## **RESOLUTION NO. 3679, as amended**

**A RESOLUTION** of the Port Commission of the Port of Seattle declaring surplus and no longer needed for port district purposes approximately 5.39 acres of Port-owned real property located in the City of Seattle, commonly known as the T-91 West Yard; amending the Comprehensive Scheme to reflect that the property is surplus to the needs of the Port and is deleted from Unit No. 1; and further authorizing the sale of said real property to the City of Seattle and King County.

**WHEREAS**, the voters of King County, pursuant to the provisions of enabling legislation adopted by the Legislature of the State of Washington, Chapter 92, Laws of 1911, RCW 53.04.010, authorized and approved at a special election held in King County on the 5th day of September 1911, the formation of a Port District coextensive with King County to be known as the Port of Seattle; and

**WHEREAS**, the Port of Seattle was thereupon established as a port district and has since been and now is a duly authorized and acting port district of the State of Washington; and

**WHEREAS**, the Port of Seattle's Comprehensive Scheme was established in 1912 through Resolution No. 17 of the Port Commission, which established seven units defined according to their geographic region; and

**WHEREAS**, over the years, property acquisitions and sales have caused the need to amend the Comprehensive Scheme from time to time; and

**WHEREAS**, the Port owns the real property described on attached Exhibit A (the "Property"); and

**WHEREAS**, the Port-owned Property includes 5.39 acres of land, more or less, a portion of which King County needs for construction of its South Magnolia combined sewer overflow project (“CSO project”) and a portion of which the City of Seattle desires for expansion of park facilities; and

**WHEREAS**, the conveyance to the King County enables the construction of the CSO project, a necessary public facility, without additional delay and averts a condemnation action filed by the County to obtain the interests in the Property needed for the CSO project; and

**WHEREAS**, the conveyance to the City of Seattle facilitates the City’s and community’s interest in an expanded Smith Cove park on a portion of the Property; and

**WHEREAS**, Chapter 39.33 of the Revised Code of Washington provides that the Port may “sell, transfer, exchange, lease or otherwise dispose of any property ... to the state or any municipality or any political subdivision thereof ... on such terms and conditions as may be mutually agreed upon ...”; and

**WHEREAS**, the maps and other data regarding the Property proposed for conveyance to King County and the City of Seattle are on available at the Port offices; and

**WHEREAS**, the Port Commission will publish notice of an official public hearing to be held on April 23, 2013, as required pursuant to Chapter 53.08 and Chapter 39.33 of the Revised Code of Washington; and

**WHEREAS**, the Port of Seattle Commission has heard from all persons desiring to speak at said public hearing with regard to the proposed Property transfer; and

**WHEREAS**, the members of the Port of Seattle Commission have discussed and considered the proposed Property transfer in light of all comments by members of the public at the public hearing; and

**NOW, THEREFORE, BE IT RESOLVED** by the Port Commission of the Port of Seattle that:

Section 1. The Property described on Exhibit A attached to this Resolution which is part of Unit 1 of the Comprehensive Scheme is no longer needed for Port purposes and is declared surplus to Port needs.

Section 2. The CEO is authorized to take all steps and execute all documents necessary to transfer title of the Property to King County and the City of Seattle in accordance with Chapter 39.33 of the Revised Code of Washington

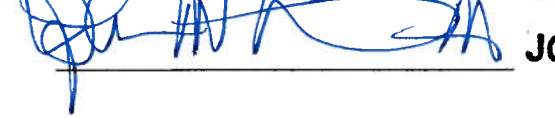

Section 3. The Comprehensive Scheme is hereby amended to reflect that the Property is hereby deleted from Unit No. 1.

**ADOPTED** by the Port Commission of the Port of Seattle at a duly noticed meeting thereof, held this 23<sup>rd</sup> day of April, 2013, and duly authenticated in open session by the signatures of the Commissioners voting in favor thereof and the seal of the Commission.
