

Sea-Tac Airport Taxi and Flat-Rate Owners and Drivers,

As you know, the on-demand taxi/flat-rate pilot program began on October 1, 2019 and we want to hear from you. The Port of Seattle is continuing its quarterly outreach meetings with drivers and owners so that we can get feedback, share information, and make sure the program is going as smoothly as possible. Thank you to all who attended our last meeting in December and provided valuable feedback on the program. **Our next meeting is on Wednesday, March 24, 2021. Due to the pandemic, we will continue to host the outreach sessions online via ZOOM.** See below for instructions on how to join:
