#### CORRECTION NUMBER CHECKING SHEET

This tariff is issued in loose-leaf form. All changes will be made by reprinting an entire page. Each reprinted page will bear a revised page number and will indicate which page it cancels. New pages added to the tariff will be numbered according to their location within the tariff, and reissues of these new pages will likewise bear the same page number.

#### LIST OF CORRECTIONS

Upon receipt of revised or new pages, a check mark should be placed opposite the "Correction" number (shown below) corresponding to the number shown on the bottom of the new or revised page, and the number of the page corrected or added should be shown in the "Page Number" column below. If correction numbers are properly checked as received, check marks will appear in consecutive order, with no omissions. If check marks indicate that a correction sheet has not been received, request should be made at once for a copy of same.
