

RESOLUTION NO. 2241

A RESOLUTION of the Port Commission of the Port of Seattle correcting the legal description of one of the parcels of real property to be acquired pursuant to Port of Seattle Resolution No. 2221 for the location and construction of an additional runway for the landing and taking off of aircraft and for related facilities.

WHEREAS, the Port of Seattle by its Resolution No. 2221 provided for the acquisition of approximately 185 parcels of real property in connection with the location and construction at the Seattle-Tacoma International Airport of an additional aircraft runway and for the location and construction of related additional clear zone, taxi-ways, roadway, and utility extensions; and,

WHEREAS, the legal descriptions of the foregoing parcels of real property were set forth on an Exhibit A which was attached to and made part of Port of Seattle Resolution No. 2221; and

WHEREAS, it now appears that a typographical error occurred in the description of Parcel No. 167 as set forth in that Exhibit A which had the effect of describing less property than was intended and necessary to be acquired;

NOW, THEREFORE, BE IT RESOLVED that the legal description of the real property identified as Parcel No. 167 in Exhibit A attached to Port of Seattle Resolution No. 2221 be corrected to read as follows:

"B (167) The north 176 feet of the east 145 feet of the north half of the southeast quarter of the northeast quarter of the southeast quarter of section 29, township 23 north, range 4 east, W.M., in King County, Washington, EXCEPT the north 30 feet and the east 30 feet thereof, for road purposes."

ADOPTED by the Port Commission of the Port of Seattle at a meeting thereof held this 30th day of September, 1966, and duly authenticated in open session by the signatures of the Commissioners voting in favor thereof and the seal of the Commission.
