If an employee fails, in the judgment of management, to satisfactorily fulfill the responsibilities of the command staff position, the following action shall take place:

- (a) An employee who had been promoted from a lower level police classification to their current rank shall be demoted to the former classification held within the Department.
- (b) At the Chief’s discretion, an employee who has been appointed from a Port position outside the Port Police Department may be returned to his/her former position, placed in another Port position, or discharged, depending on the circumstances.

ARTICLE 11 - REDUCTION IN FORCE

11.01 Selection Criteria for Reduction in Rank. In the event a reduction in force is required by Port management, those individuals shall be retained as Commanders who, in the Port management's opinion, are most qualified to carry on the future work of the organization. In lieu of layoff under this Agreement, Commanders, if they have ever held a position of lesser rank in the Port of Seattle Police Department, shall be reduced in rank when a reduction in force is implemented. A Commander reduced in rank under the provisions of this Article shall return to his/her seniority position, previously held, as defined under the provisions of either the Port Police Sergeants' or Port Police Officers' Agreements. However, if no previous seniority position was held in a bargaining unit of lesser rank, the employee shall be subject to layoff. Selection for reduction in rank or layoff shall primarily be made on the basis of performance and skill; however, length of service shall also be a factor in determining retention of position when performance and skill of two (2) or more individuals are evaluated as equal by management. In addition, the impact of a reduction in force on affected classes shall be considered in view of the Port's Affirmative Action Plan.

11.02 Restoration of Rank. Employees who are reduced in rank shall receive first consideration for Commander vacancies which may occur within eighteen (18) months of the date of reduction in rank. Employees who are laid off shall receive first consideration for Commander vacancies which may occur within twelve (12) months of the date of layoff. Selection criteria for order of restoration of rank or recall shall be the same as provided in 11.01.

11.03 Notice. In the event of an imminent reduction in force, written notice shall be provided to each employee scheduled for reduction in rank or layoff at least sixty (60) days prior to such action.

11.04 Limitation on Reduction in Force Application. The provisions of this Article shall be applied in good faith to bona fide situations where a reduction in force is required. This Article shall not be applied to provide an easy solution for dealing with employees who are unsatisfactory performers. Matters concerning unsatisfactory performance shall be subject to the conditions set forth in other provisions of this Agreement, including Articles 8, 9, and 10, and Appendices B and C.

ARTICLE 12 - JURY DUTY AND SUBPEONAED WITNESS

When an employee is called for and serves as a subpoenaed witness or on jury duty, that employee shall, during such service period, receive full regular compensation from the Port. Port compensation for service as a subpoenaed witness (not Port related) or on jury duty only applies to absence from regularly scheduled work hours. Commanders who are released prior to the end of his/her scheduled hours of work for the day shall call in to work and report if required.

ARTICLE 13 - BEREAVEMENT LEAVE

13.01 Eligibility; Hours. Employees who have been employed for thirty (30) or more days of uninterrupted service, and who have suffered the loss by death of a member of their immediate family, as defined in this Article, shall be eligible to receive up to forty (40) hours of leave per bereavement, at the discretion of the employee's supervisors, and under the supervision of the Chief of Police. Such leave shall not result in compensation for more than the number of hours in any normal work week.

13.02 Immediate Family Defined. Immediate family shall be defined as the spouse or domestic partner of the employee, and the following relatives of either the employee, spouse, or domestic partner: child, step-child, child's spouse, grandchild, parent, step-parent, grandparent, sibling, and sibling's spouse. In special circumstances, the Chief and/or Human Resources may include other relatives in the definition for purposes of bereavement leave.

13.03 Considerations. Individual circumstances, such as the distance to the funeral and the extent of employee involvement with the arrangements for the deceased, shall be considered in determining the number of hours to be granted an employee.

13.04 Use of Sick Leave. Following use of bereavement leave, in case of death of an employee's spouse, domestic partner (as defined under the Port's Salary and Benefit Resolution) or child, an employee may take up to two (2) weeks of sick leave.

ARTICLE 14 - HOURS OF WORK AND OVERTIME

14.01 Hours of Duty. The normally scheduled workweek for Commanders shall be the equivalent of forty (40) hours per week on a Port payroll week basis, except as otherwise provided in Section 14.02 of this Agreement.

The normal daily schedule for Commanders shall be ten (10) hours per day beginning between the hours of 0500 and 0900, except that Patrol Commanders will be scheduled ten (10) hours between 0500 and 2400.

Commanders are FLSA overtime exempt salaried employees and are expected to work the hours required to accomplish the duties of their position. In general, the normal daily schedule is anticipated to include nine (9) hours of work after the start of the watch plus one (1) mealtime and two (2) rest periods. The mealtime provided for during the normal workday is for a period of thirty (30) minutes. If the meal period is a business lunch where Port interests are best served extending this time frame beyond thirty (30) minutes, members shall not be restricted to any particular time element. In addition, one (1) fifteen (15) minute rest period before and one (1) fifteen (15) minute rest period after mealtime shall be provided for in the normal workday.

Commanders may at their own discretion, and with the prior approval of management, temporarily modify their normally scheduled work week or normal hours of work (to work any continuous ten (10) hour shift) for the purposes of maintaining necessary and desirable familiarity with all Police Department personnel and their duties and responsibilities.

The normally scheduled workweek for Commanders shall be four (4) days worked and three (3) consecutive days off during a seven (7) day period. Work days will be assigned by management and will be either Monday through Thursday or Tuesday through Friday, except as otherwise provided for in Section 14.02 of this Agreement.

14.02 Weekend Coverage. Commanders may adjust their normal work schedule for planned special events occurring during the weekend (Saturday and Sunday).

When adjusting to or from a normal weekly work schedule to a weekend weekly work schedule, the work schedule shall be the equivalent of eighty (80) hours per two (2) week period during this adjustment.

The normal weekend work schedule work day shall be ten (10) consecutive hours each day.

14.03 Overtime Exemption. The Parties agree that Commanders shall be considered overtime exempt managerial employees, and as such, shall be paid salary (calculated from an hourly rate based on the standard forty (40) hour workweek). Commanders shall not be entitled to overtime compensation under either the Fair Labor Standards Act or Washington Minimum Wage Act.

14.04 Awarded Time. In recognition of working in excess of eighty (80) hours in one (1) pay period, the Chief, or his/her designee, may award a Commander "Awarded Time" off. Awarded Time shall be governed under the following conditions:

- (a) Awarded Time is not "Comp Time." It is not intended to compensate employees on an hour for hour basis for hours worked beyond their regular work schedules. Awarded Time is intended to give employees time away from work for rest and rejuvenation following a recent rigorous work period.
- (b) Commanders will occasionally work beyond their regularly scheduled eighty (80) hour pay period. Employees should not normally expect to receive Awarded Time compensation for working additional hours that are not in excess of ten percent (10%) of their regular work schedule. For example, Awarded Time would not normally be awarded to an employee working for the first eight (8) hours of additional work performed during a pay period.
- (c) A Commander's use of Awarded Time must be approved in advance by his/her supervisor and recorded on the employee's time log using the appropriate time reporting code. Awarded Time should normally be awarded to the employee during the same time period in which the work was performed, and the employee

should use the Awarded Time as soon as possible thereafter. Awarded Time may be used for any reason, and a Commander's request for use of Awarded Time will normally be approved.

- (d) Awarded Time must be used in the calendar year granted, and shall not be carried into the next calendar year. Awarded Time shall not be cashed out. Retiring or terminating employees may not take Awarded Time after their last worked day.
- (e) In recognition of Commanders performing assignments that may require them to work in excess of the standard work schedule on an ongoing, regular basis, Commanders shall automatically receive a lump sum of forty (40) hours of Awarded Time annually. The forty (40) hours shall be granted on January 1st of each calendar year for incumbent Commanders. If an employee is hired into a regular Commander position after January 1 of a calendar year, the forty (40) hours of Awarded Time shall be granted on a pro-rated basis.

Effective upon ratification between the parties and execution of the agreement, hours of awarded time for Commanders on Duty shall increase to eighty (80) hours annually.

- (f) Upon execution of this Agreement, a Commander's previously accrued compensatory time (earned as a non-exempt Captain or Lieutenant) will be cashed-out at the appropriate rate of pay.

14.05 On-Call: Pagers/Cell Phones. For times when there is no Commander working after-hours and/or weekends (Saturday and Sunday), there shall be a member of the Command Staff on-call to be available to on-duty supervisors, assigned on a rotating basis. The rotation schedule for each Commander's on-call duty shall be no greater than seven (7) continuous days per on-call assignment, and each on-call assignment is not to occur more than once every five (5) weeks. Voluntary trades resulting in more frequent rotations may be made on a voluntary basis by Commanders. It is understood that an increase in staff will result in a decrease in on-call rotation frequency on a one for one basis. If a Commander is specifically required to carry a pager and/or cell phone and is assigned "on call," such Commander will be expected to respond and report, as soon as possible if called.

14.06 Assignment of Commanders. All assignments will be made at the discretion of the Chief of Police. Commanders will obtain approval for any leave from their Deputy Chief. Prior to taking any such leave, if two Commanders request leave during the same time period and there is potential for a negative impact on the operation of the Department, the Commander with the most bargaining unit seniority will take precedence over the other.

ARTICLE 15 – VACATION

Annual vacation with pay shall be granted to all employees on the following basis:

15.01 Scheduling of Vacation Leave. At any time after the successful completion of six (6) months of employment, regular permanent employees (any employee hired from a Port posting) may request and use vacation leave of up to the number of hours accrued at the time of the desired vacation date, subject to the approval of the Chief. Seniority shall be considered in accordance with departmental procedures when scheduling vacations. Normally, requests for approval of vacation schedules shall be made to the Chief on a vacation request form thirty (30) days or more in advance; more notice may be required by the Chief when necessary to provide for proper scheduling of personnel.

15.02 Limits on Accumulating Vacation Leave; Cash-Out. Vacation leave accumulation shall be limited to four hundred thirty-two (432) hours of accrual at any time. Any portion above four hundred thirty-two (432) hours of unused vacation leave shall be cashed-out under this Section, unless the reason for not taking such vacation leave is at management's direction, as under emergency conditions. Vacation beyond four hundred thirty-two (432) hours accrual will be cashed out on an annual basis. The cash-out of excess hours shall be paid to the Commander on the last paycheck in the payroll year, or in the case of a termination of employment, on the employee's last paycheck.

This Section may be subject to modification to meet legal requirements in the event of further changes in State Law.

ARTICLE 16 – HOLIDAYS

16.01 Rates of Accrual. All eligible employees shall receive a pool of one hundred and thirty (130) hours per year based upon eleven (11) recognized holidays and two (2) floating holidays and a four (4) day ten (10) hour schedule. Holiday hours will accrue on the basis of the eleven (11) recognized holidays listed in Article 16.02 below as they occur in the calendar year for a total of ten (10) hours per holiday on a four (4) day ten (10) hour schedule. The two (2) floating holidays will accrue as ten (10) hours for the month of January and ten (10) hours for the month of July. Changes in the number of pooled holiday hours due a Commander resulting from separation from the Department, or for any other reason, shall be prorated.

Martin Luther King Jr. Day
President's Day
Memorial Day

Two (2) additional holidays that are noted in Section 16.01 above are designated as floating holidays and are not tied to any of the traditional recognized Port of Seattle holidays provided in this section.

Upon termination of employment, accrued, unused holiday hours shall be cashed out, subject to proration. During the year, employees may request pay for their unused pooled hours. No pooled hours will be carried over from year to year. Holiday cash-out (if requested by a Commander) will occur twice (2x) per year, in the last paycheck of June, for those holiday hours that have already accrued, and the first pay period in January of the following year for the remaining holiday hours that have accrued. Commanders who cash out their Holiday pool hours, then separate from the Department, shall be obligated to repay the value of the prorated Holiday pool hours from the date of separation to the end of the year, which the Port may deduct from the employee's final paycheck.

Up to four (4) holidays not used or cashed out at the end of the calendar year can be exchanged for vacation that was already used at any time within the same calendar year.

Compensation tied to holiday cash out will only be reported to the Department of Retirement Service on the basis of the eleven (11) Port of Seattle recognized holidays. 16.04 Scheduled to Work During Paid Holiday. Employees who are called in to work while on their paid holiday shall be placed on regular, straight-time pay status and compensated for a full day's pay. At the discretion and with the approval of the Chief, on an exception basis, leaves may be extended not to exceed one (1) calendar year. Requests for such leaves shall be submitted in writing to the Chief for approval thirty (30) days in advance of the leave time period. In emergency situations, the notification may be waived at the option of the Chief.

21.02 Considerations. Leave approval considerations shall include:

- (a) The purpose and length of requested leave;
- (b) The employee's length of service;
- (c) The effect of such an extended absence on departmental operational efficiency;
- (d) Employee past performance and attendance; and

- (e) In establishing the priority for such leaves, mutual benefit to the Port shall also be a consideration. For example, leaves of absence for educational purposes shall receive greater priority than leaves for the purpose of travel.

21.03 Extensions. In the event of special conditions, such as family emergencies or educational programs, leaves of absence may be extended beyond six (6) weeks with the approval of the chief and/or Port's Executive Department. An employee shall suffer no loss of seniority for time spent on approved leave of absence of six (6) weeks or less. For time in excess of six (6) weeks, the Employee shall retain his/her original seniority date, but shall not accumulate any seniority for time off work in excess of six (6) weeks.

Effective upon Union ratification of the Agreement, the Port will pay the employee portion of the premium associated with this provision.

ARTICLE 22 - RE-EMPLOYMENT RIGHTS

22.01 Hiring Preference. An employee who was not on probation, and who was in good standing at the time of voluntary separation (excluding retirement) from the Port of Seattle Police Department shall have hiring preference over any other applicant for employment (but excluding employees on layoff roster) if application is made within one (1) calendar year from the date of separation from the Department.

22.02 Eligibility. To receive hiring preference, the application is subject to the following requirements:

- (a) The application request must be for the classification that the employee held at the time of voluntary separation; and

- (b) An opening for that classification does not have to exist at the time of request, but if no job opening is available at the time of application, the application will still be given preference for any job opening that occurs within one (1) calendar year from the date of application; and
- (c) The ultimate determination of whether the employee will be rehired will be made by the Department; and
- (d) The Department may require any investigation it deems necessary before the application is approved for reinstatement; and
- (e) At the discretion of the Chief, a background investigation, polygraph examination, and medical examination may be conducted for a period of absence of less than ninety (90) days. ARTICLE 23 - SICK LEAVE

23.01 Rate of Accrual. Regular permanent full-time employees shall accrue at the rate of .0462 hours for each straight time hour compensated ($.0462 \times 2080 = 96$ annual hours per year), up to eight (8) hours per month, not to exceed ninety-six (96) hours in any calendar year (8 hours per month X 12 months = 96 hours per year). Such sick leave shall be based on a pro rata share of time worked on a full-time work schedule. Regular permanent part-time employees shall accrue pro-rata sick leave based on time worked on less than full-time schedules.

Sick leave is accrued from the first (1st) day of employment but may not be used until the completion of thirty (30) days of continuous employment and is to be used under the conditions stated in Section 23.02 of this Article.

23.02 Use of Sick Leave. Sick leave will be used only in instances of non-job related employee or dependent illness or injury and as provided by law. Departmental management may require a physician's statement to justify use of sick leave and/or to determine that an employee's return from absence due to illness or injury is sanctioned by the attending physician, to the extent provided by law. Family medical and care leave will be administered in accordance with current Federal and State laws, and applicable Port policies.

The Port shall comply with the requirements of the Washington Paid Family and Medical Leave Act and shall have full discretion on meeting those requirements (e.g. Voluntary Plan), which

shall not be subject to the grievance procedure or to any other provision of this Agreement or to negotiation by the Union. However, the Port agrees to provide advance notice of how the Port intends to comply, and when and if there are any changes to the Union.

Effective upon ratification between the parties and execution of the agreement, the Port will pay the employee portion of the premium associated with this provision.

23.03 No Combined Effect. In no case shall the combined effect of sick leave and/or other benefits be applied so that compensation exceeds the employee's normal rate of pay.

23.04 Accumulation of Sick Leave. Sick leave may be accumulated up to nine hundred sixty (960) hours for permanent employees. Upon termination or retirement following five (5) continuous years of active employment in a permanent position with the Port, qualified employees shall be compensated for fifty percent (50%) of their unused sick leave (within the 960 hour limit) at the rate of pay at termination. The fifty percent (50%) accumulated sick leave payoff is payable to the employee's spouse or other designated beneficiary in the event of an employee's death. One hundred percent (100%) of an employee's accumulated sick leave (within the 960-hour limit) is payable to the employee's spouse or other designated beneficiary in the event of an employee's death in the line of duty.

23.05 Shared Leave. The Parties agree to adopt a Shared Leave Program under the terms and conditions set forth in applicable Port policies covering shared leave of salaried employees.

- (a) Purpose: The Shared Leave Program enables employees to donate accrued sick leave to fellow employees who are faced with taking leave without pay or termination due to extraordinary or severe physical or mental illnesses. Implementation of the program for any individual employee is subject to agreement by the Employer, and the availability of shared leave from other employees. The Employer's decisions in implementing and administering the shared leave program shall be reasonable.
- (b) Participation: Participation in the Shared Leave Program is voluntary. No employee shall be coerced, threatened, intimidated or financially induced into donating sick leave for purposes of this program.

23.06 Attendance Incentive.

- (a) Two hundred and fifty dollars (\$250.00) for any employee who has completed one (1) calendar year of continuous employment without any absence from work. Incentive pay will be subject to payroll withholding requirements.

 - (2) Holidays

- (3) Bereavement Leave
- (4) Military Leave
- (5) Jury Duty
- (6) Subpoenaed Witness Service on a Port-related case
- (7) Compensatory Time Off

ARTICLE 24 - LONG TERM DISABILITY

24.01 Eligibility. Commanders are covered for Long Term Disability insurance on the first (1st) day of active employment following six (6) continuous months of employment. Subject to qualified disability, the employee will receive sixty percent (60%) of covered monthly earnings less income from other sources. Benefits for Police Command Staff begin after an elimination period of forty-five (45) days for a non-occupational disability and one hundred eighty (180) days for an occupational disability. Benefits continue during qualified disability, but not past the employee's sixty-fifth (65th) birthday or ADEA extension. The maximum benefit is three thousand five hundred dollars (\$3,500.00) with a three percent (3%) cost-of-living net benefit adjuster. The policy contains a three (3) to six (6) month pre-existing condition limitation and certain exclusions and limitations for benefit payment.

This is a brief informational description of the Long Term Disability plan. For additional details, consult the Certificate of Insurance or the group master policy which contains the controlling coverage provisions.

24.02 Supplemental Coverage. The Port hereby agrees to the following coverage for Police Commanders only, limited to bona fide duty disability:

- (a) For the first (1st) six (6) months of a duty disability, the Port shall supplement amounts paid by certain offsets to a level equal to the base pay rate of the disabled Commander. Such benefit program offsets include but are not limited to state, federal, or other disability programs to which the Port has contributed such as the Public Employees' Retirement System, the Federal Social Security System, the Washington State Department of Labor and Industries programs (e.g. Workers' Compensation, Pension, and lump sum disability awards), and the Long Term Disability Coverage provided under Article 24 of this Agreement.
- (b) In addition, the insurance premiums paid by the Port for insurance programs covered in this Agreement shall continue on behalf of a Commander for the first (1st) six (6) months of a duty disability.
- (c) This coverage is also in compliance with RCW 41.04.510.

- (d) If a Commander becomes disabled as a result of duty-disability, the Officer will have his/her job rights protected for two (2) years from the date of the disability as defined below in Sections 24.03 and 24.04.

24.03 Light Duty. The Port may require Commanders receiving a disability leave supplement to work light duty, consistent with RCW 41.04.520 and other applicable law. If a Commander is unable to perform his/her duty assignment by reason of an illness or injury unrelated to the duty disability injury or condition, the Commander is required to use accrued sick leave.

24.04 Return to Work. If a Police Commander becomes disabled as a result of duty-disability, the Commander will have his/her job rights protected for two (2) years from the date of the disability provided the Commander is released to return to work and can perform all the job requirements of a Police Commander. In the event the member of the Command Staff is not able to perform the job requirements of a Police Commander, the Port will make a good faith effort to find other suitable jobs within the Port for which the employee is qualified. In no event will jobs be created or modified specifically for that purpose. This understanding is predicated on a good faith application by the Parties involved.

ARTICLE 29 - GRIEVANCE PROCEDURE

29.01 Grievance Defined. Any dispute regarding the interpretation or application of this Agreement shall be regarded as a grievance and shall be subject to the terms of this grievance procedure.

29.02 Time Limits. All grievances shall be presented within twenty (20) days of the occurrence or the date that the employee actually knew or reasonably should have known of the occurrence, whichever is later. All references to time in this Article shall be to calendar days.

29.03 Election of Forum. A Commander electing to pursue a matter through the Civil Service System may not also pursue to arbitration a grievance through this grievance procedure. Any complaint that a matter constitutes a violation of Article 7 of this Agreement may not be pursued to grievance arbitration if the matter has been challenged in any other administrative or judicial forum.

29.04 Informal Resolution. The Parties acknowledge that every effort should be made by the employee(s) and the supervisor(s) to resolve issues prior to initiating grievance procedures.

29.05 Grievance Procedure.

STEP I

The affected employee, or Union's Business Representative shall present the grievance in writing to the office of the Chief of Police. If the supervisor or supervisor's designee and the grievant are unable to arrive at a satisfactory settlement, the supervisor (or designee) will issue a written response to the employee, with a copy to the Union's Business Representative. The response shall be issued no later than ten (10) days after the date that the grievance was initially filed. The Union may refer the grievance to Step 2 within ten (10) days of receipt of the supervisor's response, or if the supervisor's response is untimely, within ten (10) days of the date when the supervisor's response was due.

STEP II

Initiation of Step 2. The Union's Business Representative shall present the grievance in writing to the Chief or the Chief's designee. The written grievance shall contain a statement of the relevant facts, the section(s) of the Agreement allegedly violated, and the remedy that is sought.

Class Grievances. With respect to issues affecting more than one (1) Commander, the Union may elect to file a grievance at Step 2 without the need for individual Commanders to file a grievance at Step 1. The twenty (20) day time limit referenced in Section 29.02, as well as the other requirements of this Article, shall be applicable to such filings.

Step 2 Meeting. Within fourteen (14) days after the initiation of Step 2, the Union's Business Representative and the Chief, or the Chief's designee, shall meet to discuss possible resolution of the grievance. If the Parties are unable to arrive at a satisfactory settlement, or if the Department's response is untimely, the Union may refer the grievance to Step 3 within ten (10) days of the meeting.

STEP III

Initiation of Step 3. The Union shall notify the Chief and the Port's Labor Relations representative, in writing, of its desire to move the matter to the Board of Adjustment.

Board of Adjustment. The Parties shall schedule a Board of Adjustment hearing which shall be held no later than twenty (20) days after the initiation of Step 3. The purpose of the hearing is to evaluate all known facts relating to the grievance in order to determine an appropriate resolution. The Port's Labor Relations representative, the Chief or designee, and two (2) Union Representatives shall be present, and both sides shall have an opportunity to present all information that they have relating to the grievance. If the Parties are unable to arrive at a

settlement, or if the Board of Adjustment hearing is not held within twenty (20) days after initiation of Step 3, the Union may refer the matter to Step 4. The Parties may mutually agree to waive the Step 3 process.

STEP IV: ARBITRATION

Initiation of Step 4. The Union initiates Step 4 by filing a written request with the Port, specifying the issue to be arbitrated. The request must be submitted within ten (10) days of completion of the Board of Adjustment, or if no Board of Adjustment is scheduled within twenty (20) days after the initiation of Step 3, then within twenty-seven (27) days after the initiation of Step 3.

Selecting An Arbitrator. For all arbitrations involving disciplinary actions, discharges, or terminations, the arbitration selection procedure shall be as established by RCW 41.58.070. For all other arbitrations, the Port and the Union mutually agree that either Party to this Agreement may apply to the Federal Mediation and Conciliation Service (FMCS) for a list of seven (7) persons who are qualified and available to serve as arbitrators for the dispute involved. Within ten (10) days of receipt of the FMCS list, the Parties will jointly select an arbitrator from the list by alternately striking one (1) arbitrator on the list until the final remaining arbitrator is selected as the arbitrator for the particular hearing. The Parties shall determine first (1st) initiative through a coin flip.

The Hearing. The hearing on the grievance shall be informal and the rules of evidence shall not apply. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement in arriving at a decision of the issue or issues presented; and shall confine his/her decision solely to the interpretation, application, or enforcement of this Agreement. The arbitrator shall confine himself/herself to the precise issue(s) submitted for arbitration, and shall not have the authority to determine any other issues not so submitted to him/her. The decision of the arbitrator shall be final and binding upon the aggrieved employee, the Union, and the Port. The fees and expenses of the arbitrator shall be equally split between the Parties; otherwise, each Party shall pay its own fees, expenses and costs, including attorney fees, witness compensation, and transcript requests.

MEMORANDUM OF UNDERSTANDING

By and between
PORT OF SEATTLE

And
TEAMSTERS LOCAL UNION NO. 763

Affiliated with the International Brotherhood of Teamsters
Representing Police Commanders

Re: Port of Seattle COVID-19 Vaccination Policy Impacts Bargaining

The following Memorandum of Understanding (“MOU”) is entered between the Port of Seattle (“Port”) and the Teamsters Local Union No. 763 regarding the Port of Seattle’s COVID-19 Vaccination Policy as it applies Police Commanders. This MOU is intended to resolve bargaining over impacts of the Port’s COVID-19 Vaccination Policy (HR-34) only.

- 1) All bargaining unit employees who verified proof of being vaccinated (as of November 15, 2021) (having received two doses of Moderna or Pfizer or one dose of the Johnson and Johnson vaccine by November 15, 2021) shall receive one (1) personal day effective January 1, 2024 on a one time non-precedent setting basis. The personal day will have to be used in 2024 in accordance with the Port Payroll Calendar and not carried over to a subsequent year.
- 2) Employees who resigned due to the Vaccine Policy or who were separated for failure to comply will be placed on a rehire list until December 27, 2022 and will, upon request, be allowed to bypass the written examination and interview process and apply to their previous position, if the position remains available and funded, if the employee has been fully vaccinated (per current HR-34 policy) and if the employee meets the qualifications of the position. If two or more employees who are on the list express an interest for an open position in the Department in which they were previously assigned, the employee with the most service time within that Department will be selected for the position.
- 3) If an employee separated pursuant to Section 2 above returns to employment within one year of separation, their seniority date shall be their original date of hire adjusted for the time period of their separation.
- 4) Limitation of Booster Requirement: The Union reserves the right to challenge any future requirement that employees covered by this agreement are required to get booster shots as a condition of employment. The Port will communicate to Local 117 any booster requirement as a condition of employment a minimum of 45 days prior to the Port’s desire to implement.

- 5) The Union retains all rights under the collective bargaining agreement to file a grievance on behalf of any represented employee who is separated from employment or denied an exemption and/or accommodation based upon an alleged violation of the collective bargaining agreement.
- 6) The Union reserves its right to challenge the reasonableness of HR-34 in any grievance procedure.
- 7) The Parties do not concede their positions regarding decisional bargaining obligations with respect to the vaccine mandate and retain the right to challenge the same. This agreement will be void if any legal governing body finds that the Port has a decisional bargaining obligation with regard to the Port's vaccine mandate.
- 8) This MOU is entered between the parties on a one-time, non-precedent-setting basis, specific to the circumstances presented herein.
- 9) This Memorandum of Understanding is effective upon signing.

APPENDIX B
POLICE OFFICERS' BILL OF RIGHTS

All employees within the bargaining unit shall be entitled to protection of what shall hereafter be termed as the "Police Officers' Bill of Rights" which shall be added to the present Rules and Regulations of the Port Police Department. The wide ranging powers and duties given to the Department and its members involve them in all manner of contacts and relationships with the public. Of these contacts come many questions concerning the actions of members of the force. These questions often require immediate investigation by superior Officers designated by the Chief. In an effort to insure that these investigations are conducted in a manner which is conducive to good order and discipline, the following guidelines are promulgated:

- A. The Police Commanders covered by this Agreement do not waive, nor will they be deprived of, any of their Constitutional or Civil Rights guaranteed by the Federal and State Constitution and Laws, afforded a citizen of the United States.
- B. The following procedures shall apply to all administrative (i.e., non-criminal) investigations of misconduct, which if proved could reasonably lead to a suspension without pay or termination for that Officer. In such cases, the employee shall be informed in writing of the nature of the investigation and whether the employee is a witness or subject of the investigation.

If an employee is a subject of the investigation, prior to an investigative interview the Port shall provide the employee with that information necessary to reasonably apprise the employee of the allegations of such complaint. Except in unusual situations, this information shall include the name of the complaining party. The above applies in cases of misconduct, and violations of Department rules and regulations. When the Internal Investigation Section is assigned to investigate non-criminal cases, the accused shall be notified within five (5) working days.

- C. Any interrogation of an employee shall be at a reasonable hour.
- D. The interrogation (which shall not violate the employee's constitutional rights) shall take place at a Port of Seattle Police station facility, except when impractical. The employee shall be afforded an opportunity and facilities to contact and consult privately with an attorney of the employee's own choosing and/or representative of the Union before being interrogated.

An attorney of the employee's own choosing and/or a representative of the Union may be present during the interrogation, but may not participate in the interrogation except to counsel the employee.

- E. The questioning shall not be overly long and the employee shall be entitled to such reasonable intermissions as he/she shall request for personal necessities, meals, telephone calls, and rest periods.
- F. The employee shall not be subjected to any offensive language, nor shall he/she be threatened with dismissal, transfer, or other disciplinary punishment as a guise to attempt to obtain his/her resignation, nor shall he/she be intimidated in any other manner. No promises or awards shall be made as an inducement to answer questions.
- G. The Port will comply with any applicable state or federal restrictions that prohibit the use of a lie detector or similar tests as a condition of continued employment.
- H. An employee shall be permitted to read any material affecting his/her employment before such material is placed in the employee's personnel file, and an employee shall be allowed to rebut in writing material placed in his/her personnel file. Such written rebuttal shall also be included in the employee's personnel file.
- I. A Commander may make a request to the Office of the Chief to review material that references the Commander, contained in the Blue Team / IA Pro. The Commander will be allowed access to review such materials unless they are part of an active investigation or otherwise protected from disclosure by law.
- J. The Police Department will notify a Commander prior to providing written materials to the prosecutor's office regarding an internal investigation unless to do so would jeopardize an on-going criminal investigation.
- K. As a Department locker is assigned to an Commander, who places his/her lock on such locker, locker search without notice may not be conducted without the permission of the Officer or without a search warrant, provided, however, with twenty-four (24) hour notice to the Officer involved, a locker inspection may be conducted by the Chief or the Chief's designee. Such an inspection may be conducted by order of the Chief without the requirement of employee's permission and without a search warrant. The employee shall have the right to be present during such locker inspection.
- L. Commanders will have an opportunity to sign complaints of misconduct or resulting findings of such complaints before such material is entered into their personnel files. The Commander's signature constitutes acknowledgment that he/she has seen the material prior to its filing.
- M. All case documentation shall remain confidential within the Internal Investigation Section and to the Chief. Only cases which are classified as sustained shall be forwarded to the Department Administrative file as well as a conclusion of findings

to Human Resources and Development for inclusion in the employee's personnel records.

- N. There shall be a separate confidential Internal Investigation Section file for unfounded cases. Such unfounded case file may be opened for legitimate "need to know" reasons with the approval of the Chief and/or Deputy Chief. Such approval will be documented.
- O. The Police Department will maintain in a secure location a personnel file for each bargaining unit employee. Every person who signs out a file must complete the Personnel File Access Form contained in the file. The form will include a place for the name of the person signing out the file, the purpose, and the dates the file was signed out and returned.
- P. If for any reason an employee's personnel file or an internal affairs case in which the employee is identified as a subject is requested pursuant to the Washington State Public Records Act, RCW 42.56, the Department will provide to the affected employee(s) timely notice and a complete copy of the request.

APPENDIX C

DRUG/ALCOHOL TESTING

PREAMBLE

While abuse of alcohol and drugs among our members is the exception rather than the rule, the Teamsters Local 763 Police Commanders' Negotiating Committee shares the concern expressed by many over the growth of substance abuse in American society.

The drug/alcohol testing procedure, agreed to by labor/management, incorporates state-of-the-art employee protections during specimen collection and laboratory testing to protect the innocent.

In order to eliminate the safety risks which result from alcohol or drugs, the parties have agreed to the following procedures.

As referred to herein, testing shall be applicable to all entry level probationary employees and any other employee for whom the Port has a reasonable suspicion that the employee is working while under the influence of alcohol or drugs.

- A. Illicit substance or drug abuse by members of the Department is unacceptable and censurable conduct worthy of strong administrative action.

- B. Preconditions to Drug/Alcohol Testing. Before an employee may be tested for drugs or alcohol based on a reasonable suspicion, the Port shall meet the following prerequisites.
 - 1. The Port shall inform employees in the bargaining unit what drugs or substances are prohibited.
 - 2. The Port must provide in-service training containing an educational program aimed at heightening the awareness of drug and alcohol related problems.
 - 3. The Port and the Union shall jointly select the laboratory or laboratories which will perform the testing.
 - 4. The Chief or Deputy Chief shall be the Police Department representatives to authorize or to approve a drug/alcohol test.
 - 5. The Officer authorizing or approving a drug or alcohol test under this Appendix C shall provide a written report to the Chief, and to the employee, if requested, that documents the basis for ordering the test under the reasonable suspicion standard. The report shall be completed no later than the end of the shift on which the test was ordered.

6. The Port shall not use the drug-testing program to harass any Officer.
- C. The Department shall also have the discretion to order any entry level probationary sworn employee to submit to a blood, breath, or urine test for the purposes of determining the presence of a narcotic, drug, or alcohol a minimum of two (2) times during such employee's entry level probationary period. These tests will be conducted in the following manner:
1. Tests will be administered to each entry level probationary employee a minimum of two (2) times, at various intervals, during the probationary period.
 2. Entry level probationary employees shall only be tested while on duty.
 3. The providing of a urine sample will be done in private.
 4. Obtaining of urine samples shall be conducted in a professional and dignified manner.
 5. A portion of urine samples shall be preserved to permit the following:
 - a. Positive samples shall be tested utilizing a gas chromatography/mass spectrometry (GC/MS) test.
 - b. A third (3rd) test for positive samples shall be conducted if requested by the employee, at Port expense, by a reputable laboratory of mutual choice.

The exercise of this discretion by the Department shall be deemed a term and condition of such employee's period of entry level probation, and need not be supported by any showing of cause.

If any employee is ordered to submit to these tests involuntarily, the evidence obtained shall be used for administrative purposes only.

- D. Testing Mechanisms. The following testing mechanisms shall be used for any drug or alcohol tests performed pursuant to the testing procedure:
1. It is recognized that the Employer has the right to request the laboratory personnel administering a urine test to take such steps as checking the color and temperature of the urine samples to detect tampering or substitution, provided that the employee's right of privacy is guaranteed, and in no circumstances may observation take place while the employee is producing the urine sample. If it is established that the employee's specimen has been intentionally tampered with or substituted by the employee, the employee is subject to discipline as if the sample tested

positive. In order to deter adulteration of the urine sample during the collection process, physiologic determinations such as creatinine and/or chloride measurements may be performed by the laboratory.

2. The parties recognize that the key to chain of possession integrity is the immediate labeling and initialing of the sample in the presence of the tested employee. If each container is received at the laboratory in an undamaged condition with properly sealed, labeled and initialed specimens, as certified by the laboratory, the Employer may take disciplinary action based upon properly obtained laboratory results.
3. Any screening test shall be performed using the enzyme immunoassay (EMIT) method.
4. Any positive results on the initial screening test shall be confirmed through the use of the high-performance thin-layer chromatography (HPTLC), gas chromatography (GC) and GC/MS. If at any time there exists a test with a higher rate of reliability than the GC/MS test, and if such test is reasonably accessible at a reasonable cost, such test shall be used in place of the GC/MS test if requested by the Union.
5. All samples which test negative on either the initial test or the GC/MS confirmation test shall be reported only as negative. Only samples which test positive on both the initial test and the GC/MS confirmation test shall be reported as positive.
6. In reporting a positive test result, the laboratory shall state the specific substance(s) for which the test is positive and shall provide the quantitative results of both the screening and the GC/MS confirmation tests, in terms of nanograms per milliliter. All positive test results must be reviewed by the certifying scientist or laboratory director and certified as accurate.

E. Procedures to be used when the sample is given. The following procedures shall be used whenever an employee is requested to give a blood or urine sample. Normally, the sample will be taken at the laboratory. If taken at another location, transportation procedures as identified shall be followed. All sample taking will be done under laboratory conditions and standards as provided by the selected laboratory:

1. Prior to testing, or if incapacitated as soon as possible afterwards, the employee will be required to list all drugs currently being used by the employee on a form to be supplied by the Port. The Employer may require the employee to provide evidence that a prescription medication has been lawfully prescribed by a physician. If an employee is taking a prescription or non-prescription medication in the appropriate described manner and

has noted such use, as provided above, he/she will not be disciplined. Medications prescribed for another individual, not the employee, shall be considered to be illegally used and subject the employee to discipline.

2. When a blood test is required, the blood sample shall be taken promptly with as little delay as possible. Immediately after the samples are drawn, the individual test tubes shall, in the presence of the employee, be sealed, labeled and then initialed by the employee. The employee has an obligation to identify each sample and initial same. If the sample is taken at a location other than the testing laboratory, it shall be placed in a transportation container after being drawn. The sample shall be sealed in the employee's presence and the employee given an opportunity to initial or sign the container. The container shall be stored in a secure and refrigerated atmosphere, and shall be delivered to the laboratory that day or the soonest normal business day by the fastest available method.
3. In testing blood samples, the testing laboratory will analyze blood/serum by using GC/MS as appropriate. Where Schedule I and II drugs in blood are detected, the laboratory is to report a positive test based on a forensically acceptable positive quantum of proof. All positive test results must be reviewed by the certifying scientist or laboratory director and certified as accurate.
4. When a urine sample will be given by the employee, the employee shall be entitled, upon request, to give the sample in privacy. In most cases, this process will take place at laboratory. The sample container shall remain in full view of the employee until transferred to, and sealed and initialed in the two (2) tamper resistant containers and transportation pouch.
5. Immediately after the sample has been given, it will be divided into two (2) equal parts. Each of the two (2) portions of the sample will be separately sealed and labeled. If the sample is taken at a location other than the laboratory, it shall be stored in a secure and refrigerated atmosphere. One (1) of the samples will then be delivered to a testing laboratory that day or the soonest normal business day by the fastest available method.
6. The sample will first be tested using the screening procedure set forth in Section (D) (3) of this appendix. If the sample tests are positive for any prohibited drug, the confirmatory test specified in Section (D) (4) of the appendix will be employed.
7. If the confirmatory test is positive for the presence of an illegal drug, the employee will be notified of the positive results within twenty-four (24) hours after the Port learns of the results, and will be provided with copies

of all documents pertinent to the test sent to or from the Port by the laboratory. The employee will then have the option of submitting the untested sample to a laboratory of mutual choice, at the Port's expense.

8. Each step in the collecting and processing of the urine samples shall be documented to establish procedural integrity and a chain of evidence. All samples deemed "positive" by the laboratory, according to the prescribed guidelines, must be retained, for identification purposes, at the laboratory for a period of six (6) months.

F. Consequences of Positive Test Results.

1. An employee who tests positive shall have the right to challenge the accuracy of the test results before any disciplinary procedures are invoked as specified in Section (F) (2) below.
2. Consistent with the conditions of the appendix, the Employer may take disciplinary action based on the test results as follows:

Confirmed positive test – Employee is subject to discharge.

G. Employee Rights.

1. The employee shall have the right to a Union representative during any part of the drug testing process.
2. If at any point the results of the testing procedures specified in the appendix are negative, all further testing shall be discontinued. The employee will be provided a copy of the results, and all other copies of the results (including the original) shall be destroyed within twenty-four (24) hours after the test results have been received by the Employer. All positive test results will be kept confidential, and will be available only to the Chief, one designated representative of the Chief, and the employee.
3. Any employee who tests positive shall be given access to all written documentation available from the testing laboratory which verifies the accuracy of the equipment used in the testing process, the qualifications of the laboratory personnel, the chain of custody of the specimen, and the accuracy rate of the laboratory.
