

North Lot Customers:

Effective

February 1, 2024

The Employee Parking rates will change to

\$87.00 /month

The Rider Pass (R-Pass) rate will change to \$22.00 /month effective February 1, 2024

The Employee Parking program has a cost-recovery financial model. To cover our operating expenses, as well as the capital costs for the bus maintenance facility and the CNG fueling station, we need to increase the monthly rate.

We understand that rate increases can be unpleasant, but we are committed to providing you, our valued customers, with the best customer service possible.

Questions? Please contact the Parking Office at (206) 787-5320. Thank you for your patronage.
