

# POS Aviation Security Advisory

## Escort Pre-Registration “Goes Live”!

The SEA escort program allows those with a temporary business need to have escorted access to the SIDA (by stakeholders in possession of Airport Issued ID Media-SIDA Badge.) Pre-Registration will help make the required procedures more efficient, and will help speed the process.

Effective May 19 2024, stakeholders may access the registration form by selecting the link below:

[\(New\) Escort Registration](#) (Ctrl+Click to select)

*OR scan the QR Code below:*

The individual completing the registration form will need the following information:

- Escortee valid government issued photo ID complete number
- Escortee first and last name exactly as printed on the above ID
- Escortee employer and Escort employer
- Escortee contact phone number.
- Email address to receive the confirmation (either stakeholder or escortee is permissible)

**Pre-registration is not required but highly encouraged! Individuals not pre-registered will be directed to a workstation post-screening to complete the registration process and be verified by an SAS.**

Individuals at vehicle gates that are not pre-registered will be directed to register via a mobile device.
