workforce for
international trade
and supply chain

Bigger Than Taylor Swift

Updated Economic Analysis:
178,500 jobs in Washington State

Data on:

- Where the jobs are located
- Kinds of jobs
- Wages
- And more!

Jobs Dashboard

Buyer and Purchasing Agents

These workers purchase machinery, equipment, tools, parts, supplies, or services necessary for the operation of an establishment. They also process semifinished materials for the purposes of manufacturing. They also participate in the negotiation of contracts and monitor and follow applicable regulations. Their job duties include preparing purchase orders, solicit bid proposals, and review requisitions for goods and services, analyze proposals, financial reports, and other data and information to determine reasonable prices.

Payscale

\$78,300 in Washington,
\$72,400 in United States
